

## START BY ASSESSING YOUR PAIN SYMPTOMS

MedEcho is more than just CBD. We set a new standard with our condition-specific formulas, including clinically validated key ingredients, to help manage the principal conditions of **Pain, Sleeplessness** and **Stress**.

**We approach results with enhanced predictability.** Consistent with established care guidelines, MedEcho's user experience is led with **simple, clear direction on when, why and how much to apply.**

Unparalleled attention to detail in the efficacy of our products, positions MedEcho as most referred by healthcare professionals looking for credible alternatives. **Always safe, natural, non-addictive and non-intoxicating.**

**Sore, Tight, Stiff, Cramp**

**Sharp, Achy, Throbbing, Tender**

**Shooting/Stabbing    Burning/Itching**  
**Tingling/Numbness    Constant/Dullness**

## CHOOSE THE QUICK START OPTION THAT MATCHES YOUR PAIN ICON

**Level 1 Pain**  
**Acute**

**Acute pain** is short-lived, unpleasant discomfort lasting less than a few weeks.

Potential causes:  
General Aches and Pains,  
Bumps and Bruises,  
Muscle Cramps or Spasms

**Pain Cream with Emu Oil**  
**150mg CBD Hemp Extract**

Powerful antioxidants and moisturizers allow penetration deep into the skin, helping to reduce tension and soreness.

**Level 2 Pain**  
**Sub-Acute**

**Sub-acute pain** lasts up to three months; ends after the underlying cause is treated or has been resolved.

Potential causes:  
Accidental Trauma, Surgery, Bone Fracture,  
Muscle Strains, Sprained Joints, Sciatica, Low  
Back Pain, or Severe Menstrual Cramps

**Instant Relief Formula Pain Spray**  
**250mg CBD Hemp Extract**

**Pain Serum with Glutathione**  
**260mg CBD Hemp Extract**

**This topical duo works in tandem** for instant effect and longstanding relief. Painful inflammation is soothed with an effortlessly powerful feeling of repair and rejuvenation.

Commonly displaces the systemic effects of NSAIDs (ibuprofen, naproxen, aspirin, etc...).

**Level 3 Pain**  
**Chronic**

**Chronic pain** lasts longer than three months; typically persists beyond the usual recovery period or occurs along with a chronic health condition. Chronic pain may be "on" and "off" or continuous.

Potential causes:  
Post-operative, Unspecified Back Pain, Fibromyalgia,  
Peripheral Neuropathy, Carpal Tunnel Syndrome,  
Arthritis, Tendinitis, or Endometriosis

**Instant Relief Formula Pain Spray**  
**250mg CBD Hemp Extract**

**Pain Serum with Glutathione**  
**500mg CBD Hemp Extract**

**CBD Capsules**  
**1500mg CBD Hemp Extract**

**This elite three step system offers incomparable results** by taking an inside-out approach to chronic pain. Including our strongest and most potent topicals for maximum restorative relief with prolonged effectiveness. While the need for deep-rooted soothing of inflamed joints, muscle and/or tissue discomforts is alleviated with a maximum pure dose CBD daily capsule.

Routinely a safe addition/alternative to prescription pain regimens, downsizing known side effects.

## TAKE THE MEDECHO SHORTCUT TO EFFECTIVE RELIEF

The fastest way to realizing results starts by following the healthcare professional recommended schedule and application directions without deviation. **This structure allows for maximum therapeutic potential relief with less pain, providing 30 days of usage.**

**Level 1 Pain**  
**Acute**

**Level 2 Pain**  
**Sub-Acute**

**Level 3 Pain**  
**Chronic**

MedEcho's Pain Quick Start options make it easy to get the right support for your level of pain. They are noticeably effective when **followed as directed for a minimum of 3 days** with increased results seen in continued daily use.
